Awesome Steve! Thanks so much! I'm copying Bill and executive assistant Sam Walker so he can follow up with an invoice and connect with you for a luncheon briefing.

Really appreciate the support!

Hi Blair!

Yes, we are definitely still in. That is very exciting news on Bill!!

I would love to coordinate a time that Bill can come out to SAM. I can't promise who else here will be able to join me, but I know I'll have a few other interested folks. Glad to host lunch!

Will you send a separate invoice?

Best,

Steve

Greetings Steve! I hope you re well and that you guys will help us again this year with a \$25,000 contribution to the Memphis Shelby Crime Commission (MSCC) as you have done so generously each year recently.

Our big news, if you haven t yet heard, is that Bill Gibbons has agreed to serve as our staff President and started on September 1. He will concurrently lead a new Public Safety Institute at the University of Memphis which we launched with a multi-year Plough Foundation grant.

Memphis Tomorrow continues to be a major supporter of the MSCC, as we believe it is an outstanding vehicle, and unique in the country, for bringing criminal just, nonprofit, government, education, business and faith leaders together regularly around a common table for informed, disciplined data-driven discussion around what s working and what s not to reduce crime.

We re expecting to publish the new five-year Operation: Safe Community plan in late October/early November and I know Bill would welcome the opportunity to come out to meet with you and the full Southeaster team, perhaps over lunch, to brief you and answer questions about crime and solutions. Let me know if we could arrange such a briefing and when might be a good date/time.

Warm Regards,

Blair
